Aim

The aim is to reduce the bird/wildlife strike risk, for both people and wildlife alike, to reduce the damage costs and maintain safety in an increasing green environment.

Mission

The mission of the WBA is to be the global voice of the national bird/wildlife strike committees and other entities, civil and military.

Targets

A number of concrete targets have been defined, including the development of an action plan on the mitigation of the bird/wildlife strike risk.

WBA INITIATIVE

Join us and let's work together, improving flight safety by reducing bird/wildlife strike risk in a cost-effective way considering the need for sustainable environment.
